Please review the following information.

General Updates:

- All maps of campus, the Concrete Canoe race course, and directions to Newport Dunes and the Anaheim Marriott will be posted on the PSWC 2017 [website](#).
- Check-In for PSWC 2017 will be 6-9pm on Wednesday, April 5, 2017 at the UCI Student Center in Emerald Bay A. Details and directions will be found in the program.
- We will be hosting a fundraiser at SlapFish across from UCI on Wednesday, April 5 from 6-9pm. We hope you can join us and unwind before the competitions begin!

Release of Liability Forms:

- All registered attendees are required to sign and submit a copy of the Liability Form to participate in events on or off campus.
- Soccer participants will be required to sign and submit a copy of the Facilities Use Waiver to participate in the event held at the UCI Anteater Recreational Center. The aforementioned forms can be found under the "[Forms](#)" tab of the PSWC 2017 website and will be collected during registration.
- Under the authority of the University of California, Irvine, all registered attendees are also required to sign an event-specific waiver at the time of the event(s) that they wish to participate in. Please ensure all parties arrive at least 30 minutes early to sign these waivers so the event can remain on schedule.

Participant Requirement:

- Participant Requirements for all events will be enforced at PSWC 2017.
- Competitors should be able to show a valid photo ID AND their conference name tag when asked by a PSWC judge or volunteer.

General Rules:

- Teams must be ready to compete at their scheduled time or they risk disqualification from that particular competition. (i.e. if a school is scheduled to present at 10 am and they are not ready to present at 10 am, judges have the discretion to disqualify this team.)

Updates (Continued)

Please review the following information.

PSWC 2017 App:

- Instructions for accessing the PSWC 2017 app can be found on our [website](#).
- Features include interactive maps, personal itinerary, food suggestions, etc.

Parking Information:

- Parking permits will be distributed to schools during registration on Wednesday, April 5, 2017.
- Parking permits are valid in any “S” zone parking structure or lot in an unmarked stall. It will be most convenient for you if you park in either Student Center Parking Structure or Anteater Parking structure since most of the events will be occurring close to these areas. Please refer to the program once it is available for more information.
- If your school needs more permits or did not request permits, please be advised that you will have to purchase a permit each day you are on campus since the permits are only valid for the day you purchase them. It will be best if purchases are made prior to 8 am to avoid creating too much traffic outside of the parking structures. You can purchase the permits in front of the parking structures or at any self-service kiosk.

Aesthetics:

- Each school will have a specified load in and load out time, which will be shown in the program once available.

PSWC 2017 Awards Banquet:

- The Awards Banquet will be held at the Anaheim Marriott. Check in will begin at 5pm and dinner service will start at 7pm. An itinerary will be posted on the website and will also be in the PSWC 2017 program.
